PRESIDENT: According to our agenda we go on Final Reading now for approximately 15 minutes. Under your rules all Senators are to be in your chairs and no one but Senators shall be on the legislative floor. I should tell our students that this is a technical requirement of the law. The Senators have debated and studied these bills many, many times, but our Constitution does require that each and every bill be read in full before vote is taken. So if the Senators appear not to be paying strict attention to it I think we can assume that they know what is in the bills.

Will you commence with LB 329, Mr. Clerk. Please take your seats Senators.

CLERK: Read title to 329.

PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall LB 329 pass on Final Reading. Record your vote. Have you all voted? Record, Mr. Clerk.
